COMMUNITY IMPACT

The Maine Brewers' Guild and its members are committed to being good stewards of their communities, supporters of safe alcohol consumption, and leaders of Maine's next economy.

Each year, the Guild surveys members to determine the economic impact of our industry in Maine. The most recent results of our economic impact study (undertaken in December 2018, looking at 2017 data) are pasted below:

PROTECTING LOCAL INTERESTS, PROMOTING QUALITY BEER

The basic requirement to join the Maine Brewers' Guild as a brewery member is to have your Brewer's Notice from the TTB. By becoming a member, you are joining Maine's craft beer industry in its mission to promote quality beer and protect local interests. The Maine Brewers' Guild is registered as a 501(c)6. We collect dues annually in the fall, but members may join at any point in the year. New Brewery Member dues are \$250 and due structures are based on barrel production thereafter (\$.30/bbl produced in a prior year).
