### Explore Cook Levels

#### The Casual Cook

You tread lightly in the kitchen, and lean on an arsenal of tools to help you prepare meals. Unadorned, practical items fill your kitchen shelves, there to help get the job done.

[SHOP CASUAL COOK](#)

#### The Everyday Cook

Cooking is a joy for you; you love farmers' markets and experimenting with new recipes. Form and function are equally important to you when adding to your kitchen collection.

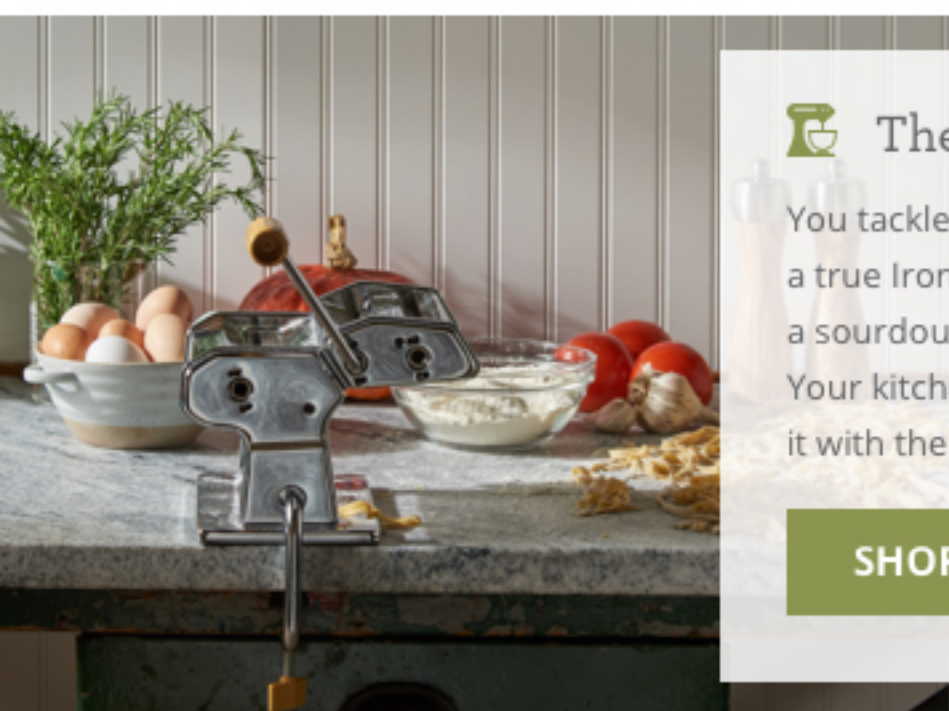

[SHOP EVERYDAY COOK](#)

#### The Home Chef

You tackle weekend-long cooking projects like a true Iron Chef, and you likely care for either a sourdough starter or a kombucha SCOBY. Your kitchen is your haven; let us help you fill it with the best equipment out there.

ABOUT US

## Dear Food Enthusiast,

We believe today more than ever people want to slow down, relax, exercise creativity, connect with others by sharing and telling stories. For us, these experiences often start at home in the kitchen cooking together for family and friends. When you visit LeRoux online or in one of our stores you will find a well-assorted, competitively priced store, great recipes and classes, knowledgeable staff and exceptional service. Our goal is to provide inspiration, adventure and confidence in your kitchen.

Happy exploring!  
– The LeRoux Team
