CRYPTOQUIPS

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

The loss of a loved one can be unspeakably difficult, especially if their death is unexpected. The probate professionals at Johnson Legal re compassionate, knowledgeable and understanding and can steer you through the process of administering a descendant's estate whether they had an estate plan or not.

Let us walk you through the **probate process**, allowing you to **focus on your family**.

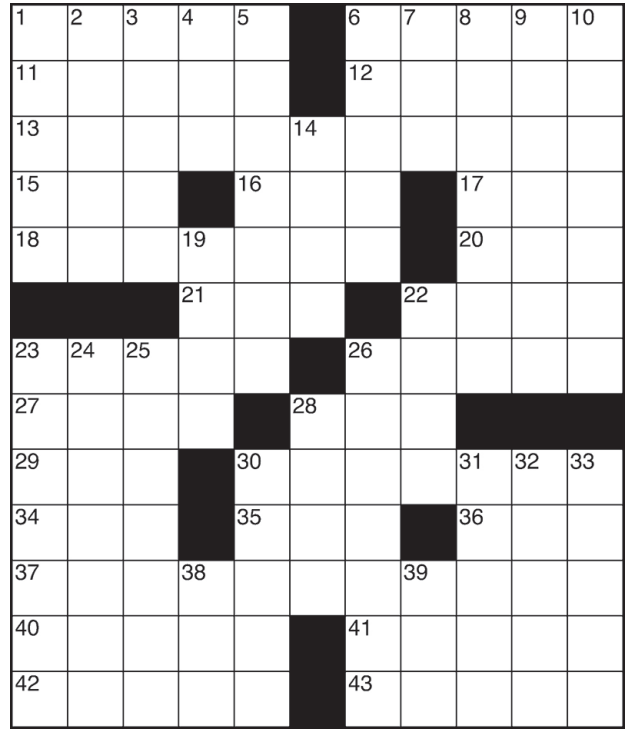

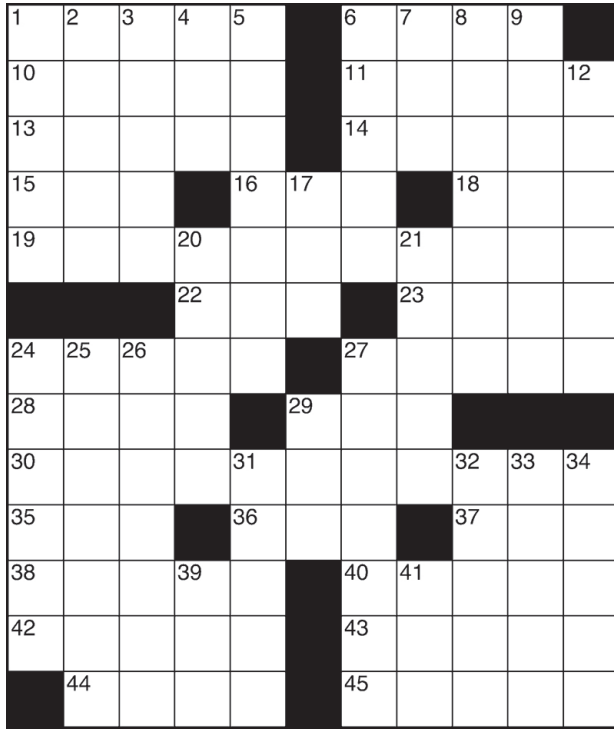

Imagine the peace of mind you will feel after establishing a meaningful and lasting legacy. Johnson Legal can also help you create your own estate planning documents to ensure your family members are provided for and protected. We take pride in drafting estate planning documents personally suited to our clients with the understanding that every person and family have unique needs.
