“Lately, Ted and I were finding it more difficult to keep up with the maintenance and upkeep of our house, so we decided to start looking at senior living communities. We toured other communities but everyone we met at The Park Danforth was so friendly. Ted and I have worked hard our whole lives and how we manage our resources is very important, so the financial options they offer here were very appealing. The location on Stevens Avenue and the whole Deering area feels like a warm community - it feels like home. At The Park Danforth there are many different types of people living here and we are making many new friends. I would suggest that anyone considering moving to a senior community come and tour The Park Danforth. We're very happy that we did!”

-Dolores and Ted
